

# NEW INDIAN MODEL SCHOOL - DUBAI

## Parent School Commitment 2022-23

### Introduction

A constructive relationship between the school and family is key to ensure that the students well-being is at the core of an effective educational experience. It is beneficial for both parties, the school and the family, if this constructive relationship is based on agreed terms and conditions set out clearly in a contract form. The purpose of signing this agreement is to keep you informed about all the mandatory and elective services provided to your ward from the school.

### Admission:

The Management of New Indian Model School is pleased to offer Master/Miss CHEKKAYIL ADNAN RASHEED CHEKKAYIL Comp no 49382/22 enrolment in EIGHTH for the academic year 2022-23.

### Minimum Age Criteria for Admissions for the Academic Year 2022-23:

KG 1 - 4 years as on or before 31-03-2022

KG 2 - 5 years as on or before 31-03-2022

Grade I - 6 years as on or before 31-03-2022

Admissions to Grade 2 and above will be offered in accordance to Transfer Certificate.

### Student Special Support

To ensure a productive learning experience for all students at the school, including those with special needs, it is essential that the school and the families work in partnership. This is defined by certain expectations from both parties to set the condition for a successful identification and support mechanism for the students.

### Parents are expected to:

Provide the school with copies of all medical, psychological or educational assessments or reports before entry to the school. Such materials are a prerequisite in enabling us to provide the best education for your child. Failure to disclose any such information, including the deliberate withholding of information, may result in your child not making the expected progress in school.

Notify the Principal in writing if they are aware or suspect that their child (or anyone in his or her immediate family) has a learning difficulty, and the parents must provide the school with copies of all written reports and other relevant information. Parents will be asked to withdraw their child if, in the professional judgment of the principal and the child's teachers, and after consultation with the parents and with the student (where appropriate), the school suspects that such vital information about special needs has been deliberately withheld.

Refer to the school's policy on Special Educational Needs for full details.

- Refer to the school's policy on Special Educational Needs for full details.

#### Assessment policy:

At New Indian Model School formal and informal way of assessment is done which includes weekly test and continuous evaluation. Activities / Experiment are performed by students to confirm their learning which is recorded in the exercise books. Assessments are conducted to credit the child's learning throughout the academic year. System of evaluation of students that covers all aspects of the student's development. It helps in bringing awareness of the achievement to the child, teachers and parent from time to time. They can look into the probable cause of the fall in performance if any and may take remedial measures of instruction there of whenever more emphasis is required.

#### Definitions of Assessments

##### Informal Assessment

Informal assessment is a non-standardized method of evaluating student progress. This type of assessment includes anecdotal records, verbal and written prompts during instruction, worksheets, observations, written samples of students work, teacher-made tests and quizzes, oral reading assignments, oral responses, projects, class assignments etc.

##### Formal Assessment

Standardized, norm-referenced formal assessments are published tests that are generally developed by experts in the field. They have precise directions for administration and scoring procedures. Standardization requires that procedures specified for these be followed exactly in order to assure that all students perform under similar conditions.

## **Half Yearly and Annual Examination**

Terminal and Annual Examination is, administered at the end of a period of instruction, such as a unit, term or year. This type of assessment determines what critical content, processes, skills and concepts a student has learned and retained over an extended period of time. Performance based tasks and examinations are conducted.

## **Periodic Assessment**

Periodic Assessment is ongoing. student's achievement is monitored continuously throughout the instructional period so teachers can modify and adjust their instruction. This type of assessment makes teachers aware of when student needs additional practice, more instructional time, a change in strategy, intervention or modification of instructional material.

## **Frequency of Reporting**

- Promoting their child's attendance and punctuality and abiding by the timings set by the school for the start and the end of the school day.
- Understanding and upholding the school's policy which states that continued tardiness and absenteeism will result in disciplinary measures and will affect the student's chances of enrolment for the upcoming academic year.

### **Attitudes and behavior:**

Schools strive to offer all their students a hazard free and emotionally safe environment in which they can achieve their full academic and personal potential. In order for schools to achieve this objective, **the responsibilities of students and parents include:**

- Abiding by the school's behavior policy which is attached with this contract. This policy will cover expected code of behavior during the school timings, during extra-curricular activities, on school buses, during school trips and student's participation in social-media forums.
- Ensuring the student understands the school's expectations and possible consequences that may arise due to breach of the behavior code.

- If your ward damage any school property, the cost of the damaged property will be collected

The school has a zero-tolerance policy for bullying in all its forms. Bullying is the intentional and deliberate intimidation of another person through emotional, physical, psychological and/or cyber means. Instances of proven and intentional bullying may result in immediate suspension of the aggressor from the school. Aligned with the above, the school will not tolerate any form of defamation or intentional harm practiced through social media forums. The school must set a clear policy for parents and students about the use of and participation in social media outlets and/or forums. This policy must include, but not be restricted to, the following:

- Parents and students in all grade levels using any social media forum must, at all times, demonstrate respect for the members of the school community (including all students and personnel).
- Parents and students must not breach confidentiality, defame or make threats to any person in the school community.
- If a student is issued 3 warning letters for his/her indiscipline in the school. He / She may not be enrolled for the next academic year. Instances of proven and intentional breach of the above will result in sanctions that may include Suspension from the school.

#### **Transportation:**

The school is responsible for ensuring the student's safety while on school buses, whether managed by the school or outsourced to a third party. In addition to implementing rigorous safety procedures outlined in a school policy, the school will also ensure the full implementation of the guidelines outlined by RTA on the matter.

**The following are expectations set by the school for parents at the school.**

#### **Private vehicles:**

- To ensure the safety of all students, parents driving to school will receive a route map detailing entry and exit points to the school.
- Parents must abide by the designated entry and exit routes set by the school.
- School personnel and staff helping in the organization of student's arrival and dispersal times represent the school and their instructions must be obeyed.

#### **Buses:**

- For all intents and purposes, school buses, whether managed by the school or outsourced to a third party, are considered part of the school premises when being used by students.
- All safety rules and behavior expectations set by the school and enforced by personnel must be adhered to by students and parents.
- If the parent intends to cancel the transport facility a request letter is to be given in advance (1 month).

**Failure to comply with all transportation rules set by the school will result in disciplinary action and will affect the student's registration chances for the following academic year.**

**Hereby I acknowledge that the above agreement is entered upon mutual agreement. No further negotiations, or breaking or in between alterations of the agreement will accepted.**

**Starting this year, a new contract needs to be signed only if there are any changes in the contractual terms or the fees.**
